

Hawai'i Foodbank, Inc. Food Assistance Handout

Updated 2/6/2025 @1:35 p.m.

This list is constantly changing and is updated on our website: www.hawaiifoodbank.org/help/

Hawai'i Foodbank stores mass quantities of food in our warehouses so that it can be distributed through our 501(c)(3) non-profit agency partners. Please see below for a list of organizations that are able to help you through this difficult time **(please note that days and times may change without notice.)** For access to additional services, please call Aloha United Way at 2-1-1.

The organizations listed below as participating in The Emergency Food Assistance Program (TEFAP) and Temporary Assistance for Needy Families (TANF) programs distribute USDA foods to eligible individuals. When visiting one of these organizations, you will be screened for eligibility based on income and household size. For those who do not meet eligibility requirements, non-government foods are still accessible to all.

As part of a new initiative by Hawai'i Foodbank, all of our non-profit agency partners will be transitioning to Neighbor Connector—a secure intake tool and database developed by Feeding America, the national network of food banks. This transition will take place over the next 3 to 5 years. Once registered in Neighbor Connector, you'll be able to check in seamlessly at any agency using the platform, without having to provide your information again. For more information, please visit <http://hawaiifoodbank.org/connector/>.

Please remember to bring your own bags if possible. Carts are especially helpful when you attend the 'Ohana Produce Plus Program Distributions.
