

Log pantry visits via [Neighbor Connector](#) — Hawai'i Foodbank's newest online client intake tool and database website

How it works: Agency partners use the Neighbor Connector website to create profiles for neighbors and their households. Each household gets a Hawai'i Foodbank card (pictured below) for faster check-in at participating sites.

Visit hawaiifoodbank.org/help and download the Food Assistance Handout for all participating Neighbor Connector sites.

Neighbor Connector and Hawai'i Foodbank Card

FAQs:

Why can't I use the Hawai'i Foodbank card here?

- Not all sites use Neighbor Connector yet. Our agency is currently awaiting training.

How do I know which sites accept the card?

- Visit hawaiifoodbank.org/help and download the latest Food Assistance Handout for a list of participating sites.

How do I get a card?

- Register at any participating Neighbor Connector site. After that, you can check-in using your card, name, address or DOB—no need to re-enter info each time.

For more info, visit hawaiifoodbank.org/connector, watch the [Neighbor Connector Webinar](#), or email us at neighborconnector@hawaiifoodbank.org.
