INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS

Hawaii Foodbank, Inc.:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Hawaii Foodbank, Inc. (Organization), a nonprofit Hawaii corporation, which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of June 30, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Report on Prior Year Summarized Comparative Information

We have previously audited the Organization's June 30, 2024 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated March 3, 2025. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2024 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 10, 2026 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Activity

Hawaii Foodbank, Inc. (Organization) is a nonprofit organization established on December 3, 1982 under the laws of the State of Hawaii to collect, warehouse, and distribute salvageable food to social agencies that feed individuals in need on Oahu and Kauai, Hawaii. The Organization is a certified member of Feeding America, a nonprofit organization that provides surplus food, employee and technical training, and fund assistance to a nationwide network of food banks.

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets without Donor Restrictions consist of net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and board of directors.

Net Assets with Donor Restrictions consist of net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity (\$271,692 and \$249,049 as of June 30, 2025 and 2024, respectively).

The financial statements include certain prior year comparative information that is not in sufficient detail to constitute a complete presentation in accordance with U.S. GAAP. Accordingly, such information should be read in conjunction with the Organization's financial statements as of and for the year ended June 30, 2024, from which the information was derived.

Use of Estimates

The preparation of the financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting year. Actual results could differ from those estimates, it is reasonably possible that such estimates may change within the near term, and such differences could be material to the financial statements.

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Year Ended June 30, 2025 (With Prior Year Comparative Information)

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

The Organization considers all highly liquid investments with a maturity of three months or less at the date of purchase to be cash equivalents.

Concentrations of Credit Risk

Financial instruments that potentially subject the Organization to credit risk include cash and cash equivalents, receivables, pledges receivable, and investments in marketable securities (including board designated investments in marketable securities and the beneficial interest in perpetual trust). Cash on deposit with financial institutions exceeded the related federal deposit insurance by approximately \$711,000 and \$1,741,900 at June 30, 2025 and 2024, respectively. Management evaluates the credit standings of these financial institutions to ensure that such deposits are adequately safeguarded as required by federal regulations.

Receivables consist of amounts due from grantors, government agencies, donors, and others. Amounts due from grantors, government agencies, and others are stated at unpaid balances, less an allowance for uncollectible accounts (\$800,000 and \$0 as of June 30, 2025 and 2024). The allowance is based on experience and other circumstances, which may affect the ability of grantors, agencies, and others to meet their obligations. Such receivables are considered doubtful if payments are not received in accordance with the contractual terms. Pledges receivable are also stated at unpaid balances, less an allowance for collectible accounts (none as of June 30, 2025 and 2024). Receivables and pledges receivable are determined to be collectible or uncollectible based on assessments by management of the facts and circumstances related to the individual accounts, including historical experience, an assessment of current and future economic conditions, and a review of subsequent collections. It is the Organization's policy to write off uncollectible receivables when management determines the receivable will not be collected. There were no amounts written off during the years ended June 30, 2025 and 2024.

The Organization's investments in marketable securities are exposed to various risks, including interest rate, market, and credit risk. Investments in marketable securities are insured by federal and private insurance as represented by the custodian. Future changes in market prices may make such investments less valuable.

Investments in Marketable Securities

Investments in marketable securities are reported at fair value. Net realized and unrealized gains and losses, determined using the specific identification method, are included in investment income without donor restrictions. Investment income restricted by a donor is reported as an increase in net assets without donor restrictions if the restrictions are met either by passage of time or by use in the reporting period in which the income is recognized. Investments are recorded as current or noncurrent based on management's intended use of the investment.

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Year Ended June 30, 2025 (With Prior Year Comparative Information)

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Inventory

Inventory, which consists primarily of food, beverages, and other sundry items, is valued based on management's estimate of the average wholesale value per pound of food. Management's estimate for the value of food received from the U.S. Department of Agriculture (USDA) is based on the average price per pound for food only items from the Feeding America Product Valuation Methodology Survey in the USDA donated foods catalog and the cost per pound from the prior year. Management's estimate for the value of food received from non-USDA sources is based on the results of a product valuation survey provided by Feeding America. Inventory is adjusted for unsalvageable items of approximately \$0 at June 30, 2025 and 2024.

Board Designated Cash and Cash Equivalents and Investments in Marketable Securities

The Organization has cash and cash equivalents and investments in marketable securities that have been designated by the Board of Directors (Board) for future building expansion, agency assistance, building and capital equipment, disaster mitigation needs, food purchases, a rainy day fund, and neighbor island emergencies. The investments in marketable securities are reported at fair value. The Board has full discretion over the use of the board designated funds, which remain in net assets without donor restrictions, as such designations may be changed by the Board at any time.

Property and Equipment

Property and equipment is stated at cost or, if contributed, at estimated fair market value at the date of contribution. Depreciation is computed using the straight-line method over estimated useful lives of the shorter of 30 years or the lease term for the building; five to 30 years or the shorter of the lease term for improvements; three to 10 years for vehicles, office furniture and equipment, and warehouse equipment; and five years for software. Property and equipment is reviewed for impairment whenever events or changes in circumstances indicate that the related carrying amounts may not be recoverable. No impairment was recognized during the years ended June 30, 2025 and 2024. Repairs and maintenance are expensed as incurred. Major improvements in excess of \$5,000 are capitalized.

The Organization capitalizes property and equipment purchased with government grants, although the property is legally owned by the granting agency, if management considers it probable that the Organization will be permitted to keep the property and equipment for the estimated useful life of the asset.

Beneficial Interest in Perpetual Trust

The Organization recognizes charitable trusts, such as perpetual trusts, when a donor makes an initial irrevocable gift to a trust in which the Organization has a beneficial interest. A beneficial interest in a perpetual trust represents assets held in a perpetual trust by an independent trustee and represents resources neither in the possession nor under the control of the Organization, although the Organization derives income from the assets of such trust. The Organization's percentage of the beneficial interest in the trust is carried at fair value as reported to the Organization by the trustee.

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leases

Leases are evaluated as operating or finance leases upon commencement and are accounted for accordingly. Specifically, a lease contains an explicitly or implicitly identified asset, the Organization retains substantially all of the economic benefits from the use of the underlying asset and directs how and for what purpose the asset is used during the term of the lease in exchange for consideration. The Organization assesses whether a contract is or contains a lease at inception of the contract. See Note K for a summary of leases.

The Organization recognizes an operating lease right-of-use asset and operating lease liability at the present value of future lease payments. The Organization recognizes the right-of-use asset and operating lease liability if such amounts are material to the financial statements. The lease term used to calculate the right-of-use asset and operating lease liability at the commencement of a lease includes the impacts of options to extend or terminate the lease. Existing economic conditions; the nature, length, and terms of the lease agreement; and the expected condition of the leased asset at the end of the lease term are factors in assessing the probability of an option to extend or terminate a lease.

The discount rate used to calculate the present value of lease payments is the rate implicit in the lease, when readily determinable; the Organization's secured incremental borrowing rate, when the rate implicit in the lease is not readily determinable; or the risk-free rate, when the secured incremental borrowing rate is not readily determinable.

Real estate taxes, insurance, maintenance, and operating expenses applicable to the leased assets are generally obligations of the Organization. When such payments are fixed, they are included in the measurement of the leased assets and operating lease liabilities and, when variable, are excluded and recognized in the period in which the obligation for those payments is incurred.

Leases that have a term of 12 months or less upon commencement are considered short-term in nature. Such leases are not included in the statement of financial position and are expensed on a straight-line basis over the lease term. The lease agreements of the Organization do not contain any material residual value guarantees or material restrictive covenants.

Due to Agencies

The Organization receives contributions that are restricted for its Grant-In-Aid (GIA) program to assist agencies with paying for the shared maintenance fees. The GIA funds are applied to the accounts of agencies either at the Organization's discretion or by donor designation. At June 30, 2024, the due to agencies balance represents amounts to be applied to various agency accounts. There were no due to agency balances as of June 30, 2025.

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Year Ended June 30, 2025 (With Prior Year Comparative Information)

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue and Expense Recognition

Revenue is recognized when the goods and services are provided to the customer. Revenue from performance obligations satisfied at a point in time include special events revenue of \$197,792 and \$198,000 for the years ended June 30, 2025 and 2024, respectively. Revenue from performance obligations satisfied over time include other income of \$33,033 and \$37,721 for the years ended June 30, 2025 and 2024, respectively. The Organization records revenue from special events equal to the fair value of the direct benefits received by the participants, and contribution revenue for the excess received when the event takes place (see Note M). Amounts received prior to the provision of the goods and services are reported as deferred revenue (none in 2025 and 2024). All other revenue was derived from sources recognized under other accounting standards.

Expenses, including advertising expenses of \$83,224 and \$104,959 during the years ended June 30, 2025 and 2024, respectively, are recognized when the related liability is incurred. Expenses that can be identified with a program or supporting service are charged directly to the program or supporting service using natural expense classifications. Other expenses that are common to several functions are allocated by various bases such as square footage for capital costs, salaries and headcount for labor related costs, and time spent by administrative and management personnel. Expenses related to the operations of the Kauai branch, included in the allocation of functional expenses, totaled \$1,366,492 and \$1,222,333 for the years ended June 30, 2025 and 2024, respectively.

Food Contributions

Food contributions received by the Organization are capitalized as food inventory and recorded as revenue without donor restrictions. Food contributions received from the USDA are valued based on the average price per pound for food only items from the Feeding America Product Valuation Methodology Survey in the USDA donated foods catalog and the cost per pound from the prior year. The average price per pound for food contributions received from the USDA was \$1.74 for the years ended June 30, 2025 and 2024.

Food contributions from non-USDA sources are valued using the average price per pound of all donations based on the most recent two periods of the Feeding America Product Valuation Methodology Survey. The average price per pound for non-USDA food contributions was \$1.97 for the years ended June 30, 2025 and 2024.

Upon distribution, the value of the food is recorded as a decrease in net assets without donor restrictions as food donations to agencies.

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Grants and Contracts

The Organization recognizes grants and contracts as either contributions or exchange transactions depending on whether the transaction is reciprocal or nonreciprocal. The Organization's grants and contracts include cost-reimbursable grants and contracts, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenditures (including purchases of property and equipment, which are capitalized and depreciated for financial reporting purposes). Amounts received are recognized as revenue when the Organization has met the conditions, including incurring expenditures in compliance with the grant or contract provisions. Amounts received prior to incurring the qualifying expenditures are reported as refundable advances (none in 2025 and 2024). As of June 30, 2025 and 2024, qualifying expenditures incurred, but for which reimbursement has not yet been received, are \$2,677,641 and \$3,188,228, respectively, and are included in receivables in the statement of financial position. Amounts received from such grants and contracts for which the conditions and any restrictions are met in the same reporting period are reported as net assets without donor restrictions.

The Organization was awarded cost-reimbursement grants and contracts of approximately \$946,100 that have not been recognized as of June 30, 2025 because the qualifying expenditures have not yet been incurred.

Donor Contributions

The Organization recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met.

Contributions received are recorded as increases in net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature of any donor restrictions. Contributions are considered to be available for unrestricted use unless restricted by the donor. Donor restricted support is reported as an increase in net assets with donor restrictions. When a donor restriction is satisfied or expires, net assets with donor restrictions are released to net assets without donor restrictions.

In-Kind Donations

In-kind donations, including marketable securities, are reflected as contributions at their estimated fair value when received or when an unconditional promise to give has been received by the Organization. In-kind donations (other than food contributions and the contributed use of property described in Note K) included \$1,904,007 and \$1,621,760 of donated services, \$178,611 and \$76,232 of marketable securities, and \$69,352 and \$37,686 of donated goods for the years ended June 30, 2025 and 2024, respectively. Donated services are primarily for shipping costs used by the programs and the fair value is based on the amount the Organization would have paid for such services. Donated goods are valued at the wholesale or retail price for identical or similar items. Donated securities are valued at the market price of the security at the date of donation.

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

In-Kind Donations

Donated services are recognized as contributions if the services create or enhance nonfinancial assets, or require specialized skills that are performed by people with those skills and would otherwise be purchased by the Organization. A number of unpaid volunteers have made contributions of their time to the Organization. The value of this time is not reflected in these financial statements because it did not meet the criteria for recognition. Such volunteers provided approximately 33,200 and 30,600 hours of donated services, during the years ended June 30, 2025 and 2024, respectively, which the Organization valued at \$37.43 and \$35.50 per hour, respectively, based on the estimated cost if the Organization were to hire workers to perform the services.

Hawaii General Excise Tax

The State of Hawaii imposes a general excise tax of 4% on the gross receipts of the Organization from certain sales of merchandise and fundraising within Hawaii, a use tax of 4% on certain imported products and services, plus an additional 0.5% on such gross receipts and imports within the City and County of Honolulu and the County of Kauai. Hawaii general excise and use tax amounted to \$146,238 and \$129,873 for the years ended June 30, 2025 and 2024, respectively.

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code on exempt purpose income and is not a private foundation. Accordingly, qualifying contributions to the Organization are tax deductible.

U.S. GAAP requires uncertain tax positions to be recognized in the financial statements if they are more likely than not to fail upon regulatory examination. Management has evaluated the Organization's tax positions as of June 30, 2025 and 2024 and for the years then ended, and determined the Organization had no uncertain tax positions required to be reported in accordance with U.S. GAAP. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any open tax periods.

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE B – LIQUIDITY

The Organization monitors liquidity required to meet its operating cash needs and other contractual commitments while also striving to maximize the investment returns on its available funds. The Organization has various sources of liquidity available for use including cash, receivables, and investments in marketable securities. Receivables are subject to implied time restrictions, but are expected to be collected within one year.

At June 30, 2025 and 2024, the Organization’s financial assets and the amounts of those assets that are available within one year of the statement of financial position date to meet general expenditures were as follows:

| | <u>2025</u> | <u>2024</u> |
|---|----------------------|----------------------|
| Cash and cash equivalents | \$ 1,430,434 | \$ 2,454,413 |
| Receivables – net | 1,877,652 | 3,238,229 |
| Pledges receivable – net | 994,450 | 111,287 |
| Investments in marketable securities | 9,220,471 | 7,284,687 |
| Cash and cash equivalents – board designated | 526,099 | 625,331 |
| Investments in marketable securities – board designated | 10,898,901 | 10,799,669 |
| Endowment for agency assistance | <u>271,692</u> | <u>249,049</u> |
| Total financial assets | 25,219,699 | 24,762,665 |
| Total net assets with donor restrictions (excluding contributed use of property) | <u>(1,576,779)</u> | <u>(1,937,735)</u> |
| Financial assets available to meet cash needs for general expenditures within one year | <u>\$ 23,642,920</u> | <u>\$ 22,824,930</u> |

NOTE C – CASH AND CASH EQUIVALENTS AND CASH AND CASH EQUIVALENTS – BOARD DESIGNATED

The following provides a reconciliation of cash and cash equivalents and cash and cash equivalents – board designated reported within the statement of financial position that sum to the total of the same such amounts shown in the statement of cash flows:

| | <u>2025</u> | <u>2024</u> |
|--|---------------------|---------------------|
| Cash and cash equivalents | \$ 1,430,434 | \$ 2,454,413 |
| Cash and cash equivalents – board designated | <u>526,099</u> | <u>625,331</u> |
| Total cash and cash equivalents | <u>\$ 1,956,533</u> | <u>\$ 3,079,744</u> |

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE D – RECEIVABLES

At June 30, 2025 and 2024, receivables consisted of the following:

| | <u>2025</u> | <u>2024</u> |
|---------------------------------|----------------------------|----------------------------|
| Grants receivable | \$ 2,677,641 | \$ 3,188,229 |
| Other receivables | 11 | 50,000 |
| Total receivables | <u>2,677,652</u> | <u>3,238,229</u> |
| Allowance for doubtful accounts | <u>(800,000)</u> | <u>-</u> |
| Receivables – net | <u><u>\$ 1,877,652</u></u> | <u><u>\$ 3,238,229</u></u> |

NOTE E – INVENTORY

For the years ended June 30, 2025 and 2024, food inventory, net of reserves, were as follows:

| | <u>Pounds</u> | <u>Value</u> |
|---|-------------------------|----------------------------|
| Balances at June 30, 2023 – net of reserve | 991,210 | \$ 1,509,750 |
| Food contributions | 22,934,085 | 35,832,551 |
| Food distributions | (21,214,137) | (33,108,360) |
| Unsalvageable food and valuation adjustment | (1,153,342) | (2,198,585) |
| Other | <u>14,701</u> | <u>(28,667)</u> |
| Balances at June 30, 2024 – net of reserve | 1,572,517 | 2,006,689 |
| Food contributions and purchases | 22,750,207 | 34,544,308 |
| Food distributions | (22,156,131) | (33,015,403) |
| Unsalvageable food and valuation adjustment | (984,177) | (1,858,965) |
| Other | <u>10,738</u> | <u>118,026</u> |
| Balances at June 30, 2025 – net of reserve | <u><u>1,193,154</u></u> | <u><u>\$ 1,794,655</u></u> |

The Organization had no non-food inventory items as of June 30, 2025 and 2024.

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE F – INVESTMENTS IN MARKETABLE SECURITIES

The Organization allocates its investments in marketable securities between undesignated and board designated. At June 30, 2025 and 2024, the fair value of total investments in marketable securities held by the Organization were as follows:

| | <u>2025</u> | <u>2024</u> |
|--|--------------------------|--------------------------|
| Mutual funds and exchange traded funds | \$ 12,225,937 | \$ 7,908,300 |
| Government obligations | 3,216,562 | 2,745,329 |
| Equity securities | 2,563,907 | 5,406,785 |
| Money market funds | <u>2,112,966</u> | <u>2,023,942</u> |
| Total investments in marketable securities | <u>\$ 20,119,372</u> | <u>\$ 18,084,356</u> |

Earnings from the investments in marketable securities – board designated are unrestricted. At June 30, 2025 and 2024, the investments in marketable securities and cash balances were allocated as follows:

| | <u>2025</u> | <u>2024</u> |
|--------------------------------------|--------------------------|--------------------------|
| Board designated | | |
| Investments in marketable securities | \$ 10,898,901 | \$ 10,799,669 |
| Cash and cash equivalents | 526,099 | 625,331 |
| Total board designated | <u>11,425,000</u> | <u>11,425,000</u> |
| Undesignated | | |
| Investments in marketable securities | <u>9,220,471</u> | <u>7,284,687</u> |
| Total undesignated | <u>9,220,471</u> | <u>7,284,687</u> |
| Total fund assets | <u>\$ 20,645,471</u> | <u>\$ 18,709,687</u> |

For the years ended June 30, 2025 and 2024, investment income on investments in marketable securities consisted of the following:

| | <u>2025</u> | <u>2024</u> |
|-----------------------------------|-------------------------|-----------------------|
| Net realized and unrealized gains | \$ 1,289,769 | \$ 198,452 |
| Interest and dividend income | 815,618 | 911,209 |
| Investment fees | <u>(121,473)</u> | <u>(114,045)</u> |
| Total investment income – net | <u>\$ 1,983,914</u> | <u>\$ 995,616</u> |

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE G – FAIR VALUE MEASUREMENTS

U.S. GAAP provides a fair value hierarchy that prioritizes the inputs to the valuation methodology used to measure fair value. There are three levels of inputs to the valuation methodology. Level 1 inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement. The fair value measurement level of an asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

At June 30, 2025 and 2024, the fair value measurements reportable by the Organization consisted of investments in mutual funds and exchange traded funds, and equity securities valued at quoted market prices (Level 1 measurements); money market funds valued at stated value (Level 1 measurement); U.S. government agency obligations valued using pricing models maximizing the use of observable inputs for similar securities, including yields currently available on comparable securities of issuers with similar credit ratings (Level 2 measurement); and a beneficial interest in a perpetual trust valued by estimating the Organization’s portion of the fair value of the assets in the trust (Level 3 measurement).

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the fair value of investments as of June 30, 2025:

| | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u> |
|--|----------------------|---------------------|-------------------|----------------------|
| Investments in marketable securities | | | | |
| Mutual funds and exchange traded funds | \$ 12,225,937 | \$ - | \$ - | \$ 12,225,937 |
| Government obligations | - | 3,216,562 | - | 3,216,562 |
| Equity securities | 2,563,907 | - | - | 2,563,907 |
| Money market funds | 2,112,966 | - | - | 2,112,966 |
| Total investments in marketable securities | <u>16,902,810</u> | <u>3,216,562</u> | <u>-</u> | <u>20,119,372</u> |
| Beneficial interest in perpetual trust | <u>-</u> | <u>-</u> | <u>271,692</u> | <u>271,692</u> |
| Total investments, at fair value | <u>\$ 16,902,810</u> | <u>\$ 3,216,562</u> | <u>\$ 271,692</u> | <u>\$ 20,391,064</u> |

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE G – FAIR VALUE MEASUREMENTS (Continued)

The following sets forth by level within the fair value hierarchy investments at fair value as of June 30, 2024:

| | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u> |
|--|--------------------------|-------------------------|-----------------------|--------------------------|
| Investments in marketable securities | | | | |
| Mutual funds and exchange traded funds | \$ 7,908,300 | \$ - | \$ - | \$ 7,908,300 |
| Government obligations | - | 2,745,329 | - | 2,745,329 |
| Equity securities | 5,406,785 | - | - | 5,406,785 |
| Money market funds | <u>2,023,942</u> | <u>-</u> | <u>-</u> | <u>2,023,942</u> |
| Total investments in marketable securities | <u>15,339,027</u> | <u>2,745,329</u> | <u>-</u> | <u>18,084,356</u> |
| Beneficial interest in perpetual trust | <u>-</u> | <u>-</u> | <u>249,049</u> | <u>249,049</u> |
| Total investments, at fair value | <u>\$ 15,339,027</u> | <u>\$ 2,745,329</u> | <u>\$ 249,049</u> | <u>\$ 18,333,405</u> |

The reconciliation of the beginning and ending balances of the fair value measurement using significant unobservable inputs (Level 3) is as follows:

| | |
|-------------------------------------|-----------------------|
| Balance at June 30, 2023 | \$ 228,805 |
| Sales and distributions | (38,466) |
| Purchases | 45,027 |
| Realized and unrealized gains – net | <u>13,683</u> |
| Balance at June 30, 2024 | 249,049 |
| Sales and distributions | (43,846) |
| Purchases | 53,985 |
| Realized and unrealized gains – net | <u>12,504</u> |
| Balance at June 30, 2025 | <u>\$ 271,692</u> |

There were no transfers between levels of the fair value hierarchy and valuation techniques utilized to determine fair value were consistently applied during the years ended June 30, 2025 and 2024.

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE H – PROPERTY AND EQUIPMENT

At June 30, 2025 and 2024, property and equipment consisted of the following:

| | <u>2025</u> | <u>2024</u> |
|-----------------------------------|--------------------------|-------------------------|
| Building and improvements | \$ 7,283,656 | \$ 7,283,656 |
| Vehicles | 1,892,230 | 1,675,437 |
| Office furniture and equipment | 635,883 | 579,219 |
| Warehouse equipment | 734,252 | 331,776 |
| Software | 34,294 | - |
| Total depreciable assets | <u>10,580,315</u> | <u>9,870,088</u> |
| Accumulated depreciation | <u>(5,706,293)</u> | <u>(5,677,088)</u> |
| Total depreciable assets – net | 4,874,022 | 4,193,000 |
| Construction in progress | 759,373 | 1,212,813 |
| Contributed use of property – net | <u>14,619,863</u> | <u>1,212,357</u> |
| Property and equipment – net | <u>\$ 20,253,258</u> | <u>\$ 6,618,170</u> |

NOTE I – NET ASSETS WITH DONOR RESTRICTIONS

At June 30, 2025 and 2024, net assets with donor restrictions for programs consisted of the following:

| | <u>2025</u> | <u>2024</u> |
|---|--------------------------|-------------------------|
| Net assets with donor restrictions for programs | | |
| Contributed use of property | \$ 14,619,863 | \$ 927,241 |
| CDBG grant | - | 566,667 |
| Capital Campaign Support | 302,778 | - |
| WCCHC Produce Prescription Program | - | 269,120 |
| School & Keiki Pantry or Senior programs | 241,237 | 208,521 |
| Emergency Management | 238,028 | 6,182 |
| Advocacy | 158,757 | 228,249 |
| SNAP outreach | 146,800 | 195,000 |
| Food purchases | 133,675 | 50,991 |
| Strategic capacity building | 73,812 | 123,570 |
| Other | <u>10,000</u> | <u>40,386</u> |
| Net assets with donor restrictions for programs | <u>\$ 15,924,950</u> | <u>\$ 2,615,927</u> |

At June 30, 2025 and 2024, net assets with donor restrictions for endowments consisted of beneficial interest in perpetual trust of \$271,692 and \$249,049.

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Year Ended June 30, 2025
(With Prior Year Comparative Information)

NOTE J – ENDOWMENTS

The Organization is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA). It is the policy of the Organization to preserve the original gift as net assets with donor restrictions for endowment funds, absent explicit donor stipulations to the contrary. Unless otherwise stated, other donor-restricted gifts are classified as net assets with donor restrictions. From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. In accordance with U.S. GAAP, deficiencies of this nature are reported in net assets with donor restrictions (none for the years ended June 30, 2025 and 2024).

Changes in endowment net assets for the years ended June 30, 2025 and 2024 are as follows:

| | |
|----------------------------|------------------|
| Balance at June 30, 2023 | \$228,805 |
| Change in investment value | <u>20,244</u> |
| Balance at June 30, 2024 | 249,049 |
| Change in investment value | <u>22,643</u> |
| Balance at June 30, 2025 | <u>\$271,692</u> |

NOTE K – LEASES

The Organization's warehouse and office facility is located on land leased from the State of Hawaii under a 55 year lease that expires in 2047. The lease provides that rental for any ensuing period shall be in the amount set by the State of Hawaii, Board of Land and Natural Resources' Minimum Rent Policy for eleemosynary organizations. The annual lease payments were \$480 for the years ended June 30, 2025 and 2024. Effective January 1, 2025, the Organization leased another parcel of land from the State of Hawaii under a 65 year lease that expires in 2089. The annual lease payment was \$480 for the year ended June 30, 2025.

The Organization recorded the cost of the leases in property and equipment at the fair rental value, which is amortized over the lease term and is recorded as occupancy expense in the statement of functional expenses. The Organization also recorded a discount of the fair value of the lease rent at a discount rate of 4.78%. The amortization of the discount is recorded as a contribution in the statement of activities.

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE K – LEASES (Continued)

At June 30, 2025 and 2024, the Organization’s contributed use of property was as follows:

| | <u>2025</u> | <u>2024</u> |
|--|----------------------|---------------------|
| Fair value of lease rent | \$ 43,381,800 | \$ 5,029,200 |
| Accumulated amortization of lease rent | (866,980) | (2,421,466) |
| Net fair value of lease rent | <u>42,514,820</u> | <u>2,607,734</u> |
| Discount on lease rent | (28,504,031) | (3,609,778) |
| Accumulated amortization of discount | 609,074 | 2,214,401 |
| Net discount on lease rent | <u>(27,894,957)</u> | <u>(1,395,377)</u> |
| Contributed use of property – net | <u>\$ 14,619,863</u> | <u>\$ 1,212,357</u> |

The Organization also leases a warehouse on Kauai through October 2027. The Organization also leases office equipment and vehicles under operating lease agreements expiring at various dates through August 2029.

For the years ended June 30, 2025 and 2024, lease costs, included in occupancy and transportation and shipping in the statement of functional expenses, consisted of the following:

| | <u>2025</u> | <u>2024</u> |
|-------------------------------------|-------------------|-------------------|
| Operating lease costs | \$ 301,927 | \$ 227,871 |
| Short-term and variable lease costs | <u>71,964</u> | <u>79,483</u> |
| Total lease costs | <u>\$ 373,891</u> | <u>\$ 307,354</u> |

Short-term lease costs represent the Organization’s costs with respect to leases with a duration of 12 months or less and is not reflected on the Organization’s statement of financial position. Variable lease costs are comprised of costs, such as the Organization’s proportionate share of utilities, common area maintenance, and taxes that are not included in the right-of-use assets or operating lease liabilities and are recognized in the period in which they are incurred.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE K – LEASES (Continued)

Supplemental financial position and cash flow information related to the operating leases as of and for the years ended June 30, 2025 and 2024 consisted of the following:

| | <u>2025</u> | <u>2024</u> |
|---|-------------|-------------|
| Cash paid for amounts included in the measurement of lease liabilities | | |
| Operating cash flows from operating leases | \$ 297,985 | \$ 227,288 |
| ROU assets obtained in exchange for new operating lease liabilities | \$ 348,169 | \$ - |
| Weighted-average remaining lease term for operating leases | 17.2 years | 18.2 years |
| Weighted-average discount rate for operating leases based on risk-free rate | 3.03% | 3.01% |

At June 30, 2025, future minimum operating lease rent payments consisted of the following:

| | | |
|--|--|-------------------|
| Years Ending June 30th | | |
| 2026 | | \$290,060 |
| 2027 | | 269,680 |
| 2028 | | 193,070 |
| 2029 | | 148,165 |
| 2030 | | 7,691 |
| Thereafter | | <u>36,480</u> |
| Total future minimum lease payments | | 945,146 |
| Discount to present value | | <u>(67,679)</u> |
| Present value of future minimum lease payments | | 877,467 |
| Less operating lease liabilities – current | | <u>(268,218)</u> |
| Operating lease liabilities – noncurrent | | <u>\$ 609,249</u> |

NOTE L – RETIREMENT PLAN

The Organization has a defined contribution plan (Plan) under Section 401(k) under the Internal Revenue Code. Employees are eligible to participate in the Plan after six months of service. Participating employees may make voluntary contributions to the Plan. For the years ended June 30, 2025 and 2024, the Organization contributed 3% of an eligible participant's compensation, as defined, to the Plan. Total contributions to the Plan approximated \$152,000 and \$137,000 for the years ended June 30, 2025 and 2024, respectively.

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE M – SPECIAL EVENT

The special event for the years ended June 30, 2025 and 2024 consisted of the following:

| | <u>2025</u> | <u>2024</u> |
|---------------------------------|------------------|------------------|
| Income from special event | | |
| Table and event sales | \$ 197,792 | \$ 198,000 |
| Donations | 157,483 | 153,188 |
| Total income from special event | <u>355,275</u> | <u>351,188</u> |
| Direct costs of special event | <u>(101,357)</u> | <u>(83,261)</u> |
| Special event – net | <u>\$253,918</u> | <u>\$267,927</u> |

NOTE N – COMMITMENTS AND CONTINGENCIES

On June 15, 2016, the Organization entered into a power purchase agreement with an initial term of 25 years for the design, construction, installation, operation, and maintenance of a solar power generation system (System) on the Organization’s premises, and for purchase of the electric energy generated by the System. The Organization is required to purchase all electric energy generated by the System during the initial term and any extension term, for the contract rate of \$0.1045 per kWh.

Revenue and support is derived primarily from federal, State of Hawaii, and private grants, the loss of which could have a material adverse effect on the Organization. Amounts received from government grants and contracts are subject to audit and adjustment by various government agencies. Any disallowed claim, including amounts already collected, may constitute a liability. Management expects such amounts, if any, would not be material to the financial statements.

The Organization may be subject to legal proceedings, claims, or litigation arising in the ordinary course of business for which it may seek the advice of legal counsel. Management estimates that the cost to resolve such matters, if any, would not be material to the financial statements. However, it is reasonably possible that such estimates may change within the near term.

The Organization operates in the State of Hawaii. Local, national, and international events can have severe, adverse effects on economic conditions in Hawaii. These financial statements do not include the adjustments that would result if the Organization were to account for future losses or asset impairments, as the effects on the financial statements of the Organization from such changes in economic conditions are not presently determinable.

HAWAII FOODBANK, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

**For the Year Ended June 30, 2025
(With Prior Year Comparative Information)**

NOTE O – CONFLICT OF INTEREST POLICY

The Organization’s Board of Directors, committee members, and volunteers are from the financial, food wholesale, retail, and distribution industries. These individuals provide valuable assistance to the Organization in the development of policies and programs and in the evaluation of awards and grants. The Organization has a conflict-of-interest policy whereby Board and committee members must advise the Board of Directors of any direct or indirect interest in any transaction or relationship with the Organization and may not participate in decisions regarding any action, which may affect their individual, professional, or business interest.

NOTE P – SUBSEQUENT EVENTS

In June 2025, the Board of Directors authorized the formation of Kauai Property Holdings LLC, for the purpose of acquiring and managing property purchased for the Organization’s operations on Kauai. In September 2025, the Organization made a deposit of \$419,200 to acquire undeveloped property on the island of Kauai, which will be owned by Kauai Property Holdings LLC. The total purchase price of the property is \$2,096,000.

Management has evaluated subsequent events through March 10, 2026, which is the date the financial statements were available to be issued, and determined that the Organization did not have any subsequent events requiring adjustment to the financial statements or disclosure in the notes to the financial statements, except as discussed above.

HAWAII FOODBANK, INC.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

For the Year Ended June 30, 2025

NOTE A – BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (Schedule) includes the federal grant activity of Hawaii Foodbank, Inc. (Organization) and is presented on the accrual basis of accounting. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, certain amounts presented in the Schedule may differ from amounts presented in, or used in the preparation of, the financial statements of the Organization.

(*) Denotes the major program.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The expenditures are recognized following the cost principles contained in the Uniform Guidance, as applicable, wherein certain types of expenditures are not allowable or are limited as to reimbursement. In addition, agency or pass-through numbers are presented where available.

The food commodities received from the U.S. Department of Agriculture (USDA) are valued based on management's estimate of the average wholesale value per pound of food received from the USDA. Management's estimate is based on the results of a product valuation survey conducted by Feeding America. The value of USDA food commodities distributed during the year includes amounts held in inventory at the beginning of the year. As of June 30, 2025, the Organization had an inventory of USDA food commodities of \$649,725.

NOTE C – INDIRECT COST RATES

The Organization has not elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

HAWAII FOODBANK, INC.
REPORTS IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS
For the Year Ended June 30, 2025

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND REPORT ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Hawaii Foodbank, Inc.:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Hawaii Foodbank, Inc. (Organization), a nonprofit Hawaii corporation, which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 10, 2026.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of these Reports

The purpose of these reports is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. These reports are an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, these reports are not suitable for any other purpose.

CWA

HAWAII FOODBANK, INC.
REPORTS IN ACCORDANCE WITH THE UNIFORM GUIDANCE
For the Year Ended June 30, 2025

**INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR
EACH MAJOR FEDERAL PROGRAM AND REPORT ON
INTERNAL CONTROL OVER COMPLIANCE
IN ACCORDANCE WITH THE UNIFORM GUIDANCE**

Hawaii Foodbank, Inc.:

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Hawaii Foodbank, Inc.’s (Organization), a nonprofit Hawaii corporation, compliance with the types of compliance requirements identified as subject to audit in the *U. S. Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025. The Organization’s major federal programs are identified in the summary of auditor’s results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the *Auditor’s Responsibilities for the Audit of Compliance* section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization’s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization’s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with U.S. GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Report on Internal Control over Compliance (continued)

Our consideration of internal control over compliance was for the limited purpose described in the *Auditor's Responsibilities for the Audit of Compliance* section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
