Food Assistance Handout (O'ahu)

Updated 08/28/2026 @ 8:00 a.m.

This list changes frequently, so please refer to our website for the most up-to-date information: <https://hawaiifoodbank.org/get-help/find-food/>

Hawai'i Foodbank stores mass quantities of food in our warehouses so that it can be distributed through our non-profit and community agency partners. Please see below for a list of organizations that are able to help you through this difficult time. **All distribution dates/times are subject to change. While Supplies Last.** For access to additional services, please call Aloha United Way at **2-1-1**.

"Additional Programs" column listed on the Emergency Food Assistance Handout identifies other services and resources offered at that specific agency partner location.

When visiting a participating **The Emergency Food Assistance Program (TEFAP)** or **Temporary Assistance for Needy Families (TANF)** agency partner, you will be screened for eligibility based on household size and income. **TEFAP** and **TANF** have separate eligibility requirements. Income is self-declared, and no documentation is required. Individuals who do not meet the eligibility requirements may still receive non-governmental foods, which are available to all.

Neighbor Connector is a secure online intake tool and database developed by Feeding America, the national network of food banks. Please note that enrollment in Neighbor Connector does not exclude any neighbor from receiving food assistance. Food remains accessible to all. Please visit www.hawaiifoodbank.org/connector/ for more information.

SNAP Assistance – The Supplemental Nutrition Assistance Program (SNAP) provides monthly financial benefits to eligible individuals and families to help purchase groceries and nutritious food. Hawai'i Foodbank can assist with SNAP pre-screening and rec-ertification support to help determine eligibility and guide you through the application or renewal process. Please visit www.hawaiifoodbank.org/get-help/snap or call **808-954-7893** for more information.
